Food & Beverage Options

A freshly made candle requires about 30 minutes to cool down and be solid enough to be brought home. This is the perfect time for some nibbles and we have the following options:

- Charcuterie Board (feeds 8 to 10 persons) **\$150**
- High Tea for Two **\$100**

Please allow 48 hours notice for food orders. Birthday cake can be brought in and served for a charge of \$30 extra.

Each private event class is limited to 3 hours. If more time is required, there is a charge of \$500 per hour thereafter. A credit card on file is required for incidentals at time of booking and a 50% deposit will be charged at that time to secure the time slot.
